Travel

Some of Miami Beach's most dynamic hotels are more like full-blown resorts. Multiple restaurants? Lavish spas? Serious wellness programming? Check, check and check. Choose wisely, and you'll feel little need to leave the property.

Faena Miami Beach

[Argentine impresario Alan Faena](#) upped the artistic ante when he created a district that includes not just a luxury hotel (opened in late 2015 with outstanding restaurants by Argentine chef Francis Mallmann and Austin's Paul Qui) but also a cabaret, a Rem Koolhaas–designed forum for large performance art gatherings and a bazaar to house pop-up shops from carefully curated fashion brands.
