The glamorous **Faena** Theatre is back again as it continues to stun with its revolutionary performance programming that rotates seasonally. On Thursday, November 8th, the grand theatre debuted its newest production—**Samsara Cabaret**—with an awe-inspiring, dark and sultry performance. The name and show itself draw inspiration from the Sanskrit word “samsara,” referencing rebirth, karmic reincarnation and life’s constant change.

The talented performers demonstrate the dramatic theme with stunning visuals, contemporary dance, cirque nouveau, state-of-the-art technology and moving vocals and live music from *America's Got Talent* semi-finalist **Yoli Mayor**, violinist **Shane Borth**, cellist **Ben Munoz**. **Sensatia** stars **Megan Stockman**, **EnVee** and **Samanta Mixan** also carried the show with jaw-dropping performances and unmatched talent.

In contrast to the previous Sensatia show at the **Faena Theatre**, Samsara Cabaret plays with a much darker yet equally seductive theme, somehow managing to surpass all expectations of the extraordinarily talented team with alluring acts told through smoke and light, fire and energy.

As to be expected, Faena brought on an all-star team to create the memorable show, including **Christan Squires** as Director, **Anthony Magliano** as Founder & Creative Director, **Shane Borth** as Musical Director & Arranger, **Robert Dekkers** as Choreographer, **Mika Thomas** as Executive Producer, and **Hollie Hermes, Wrara Plesoi, and Ali Khemi** as Costume Designers, that all help create the full effect of the exciting experience.

On opening night, A-listers packed the beautiful, red grand ballroom in anticipation of the grand debut, including Ryan Phillippe, Alan Faena, Adriana de Moura, Christina Getty, JP Cappello, Hellô Campos, Sam Robin, Iran Issa-khan, **Louis** and **Angela Birdman**, Typoe, **Andreea Baclea** and Lester Prosper, Alan and Ruth Zelcer, Angeles Almuna, Gabriela Medina, Gary and Dana Shear, Ashley Turchin, Sean Donaldson, Jasmine Tosh Stewart, Danie Gomez-Ortigoza and Carlos Betancourt.

Samsara Cabaret is set to run through May 2019 featuring a 9:00 p.m. show on Thursday, Friday and Saturday. On Friday and Saturday, guests can elevate the experience for the ultimate date night or group outing by reserving for dinner + a show.
